Destination Schools

How to go about choosing the next school for your child can be an intimidating and bewildering process. Helping parents find and select the right school for their child is something that we take great care over. Over many years we have built up strong relationships with many of the leading Public Schools throughout the country. Specialist members of staff regularly visit these schools and meet the Headmasters, Housemasters and Registrars. In addition, by invitation, we regularly provide talks for parents in Upper School and Senior School given by Housemasters or Registrars of leading Public Schools and these are open to all by request. There is a wide range of very valuable scholarships on offer from Public Schools in Music, Art, Sports, Design & Technology and "All Rounder", as well as academic scholarships. We are able to advise if these might be appropriate. We are very proud of the number of scholarships that children from Hill House are routinely awarded.
